Professional Experience

Alta Bicycle Share, Washington, DC

Station Technician

August 2010 - Present

- Responsible for managing the installation and ongoing maintenance of more than 100 automated bicycle rental stations in Washington, DC, and Arlington County, Virginia.

Calvert Asset Management, Bethesda, MD

Research Assistant

November 2006 - June 2009

- Evaluated policies, programs, and performance of publicly traded companies with respect to stated corporate goals, industry peer groups, and independent criteria.
- Analyzed public policy, regulatory systems, and markets conditions, with specific emphasis on pharmaceutical and financial services industries.
- Evaluated industrial impacts, key metrics, and research methodologies with regard to environmental, social, and corporate governance issues.
- Researched and examined corporate publications, legal documents, and regulatory filings.
- Wrote company profiles and industry reports synthesizing research and analysis to support board decisions and asset management.

City Bikes, Washington, DC

Inventory Manager

March 2005 - August 2006

- Planned retail strategy, selected product lines, maintained relationships with vendors, and negotiated payment terms.
- Purchased and received all inventory for a retail location with annual sales over \$1.5 million.
- Maintained inventory database; scheduled and supervised physical inventory counts.
- Managed warehouse staff and allocated resources for short term contracts.

Shaw EcoVillage Project, Washington, DC

Chain Reaction Operations Manager

April 2002 - November 2004

- Managed the *Chain Reaction* program: provided sustainable transportation, employment, skills training, and youth leadership opportunities to an under-served community.
- Created annual and monthly program budgets and forecasts; tracked and reported expenses and revenues; designed and implemented work-flow systems to increase efficiency, quality, and capacity.
- Recruited and supervised youth and adult staff, volunteers and students.
- Taught and developed curriculum for youth and adult programs.
- Grew retail sales of the Youth Bike Shop 500% over a two year period.

Sandy Spring Friends School, Sandy Spring, MD

Mathematics Teacher

August 1998 - August 2001

- Taught a variety of math topics to students in grades 9 through 12; coached boys and girls cross-country running teams.
- Created an innovative curriculum for students entering the high school environment - including team building, outdoor education trips, and community service projects.
